SCAVENGER HUNT  
ORIGINALLY WRITTEN  
BY JEN KIDWELL

## Introduction:

Advent is the church season before Christmas, when our job is to wait before we celebrate Jesus's birth. Waiting can be hard! And like all difficult things, it takes practice.

Jesus has a lot of other names, but one of the things we call him is the Light of the world. At Christmas, we celebrate that Jesus brings light into darkness. This scavenger hunt will show us some ways we can practice waiting for Christmas by looking for ways that God's love brings us light all the time.

If we look around us, we will probably find a lot of little lights that remind us of God's big light. Enjoy the lights at Kenilworth Union Church as you hunt for four clues that help us to wait for the brightest light on Christmas.

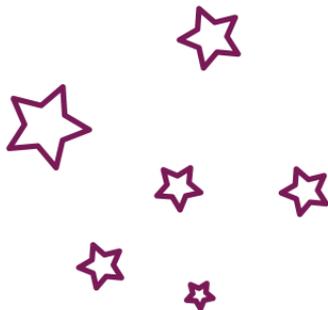

## Directions:

Use the clues on the next page to find 4 boxes hidden at Kenilworth Union Church. Be sure to put everything back inside the box when you're finished and put it back exactly where you found it! Wear your masks, use your hand sanitizer, keep distance from those not in your household, and have fun!
